

FIRESA

Fire & Rescue Suppliers Association

Our Vision

The primary purpose of FIRESA is to contribute positively to the growth and development of the fire and rescue service market, thereby improving its effectiveness and playing an association role in protecting life, property and the environment.

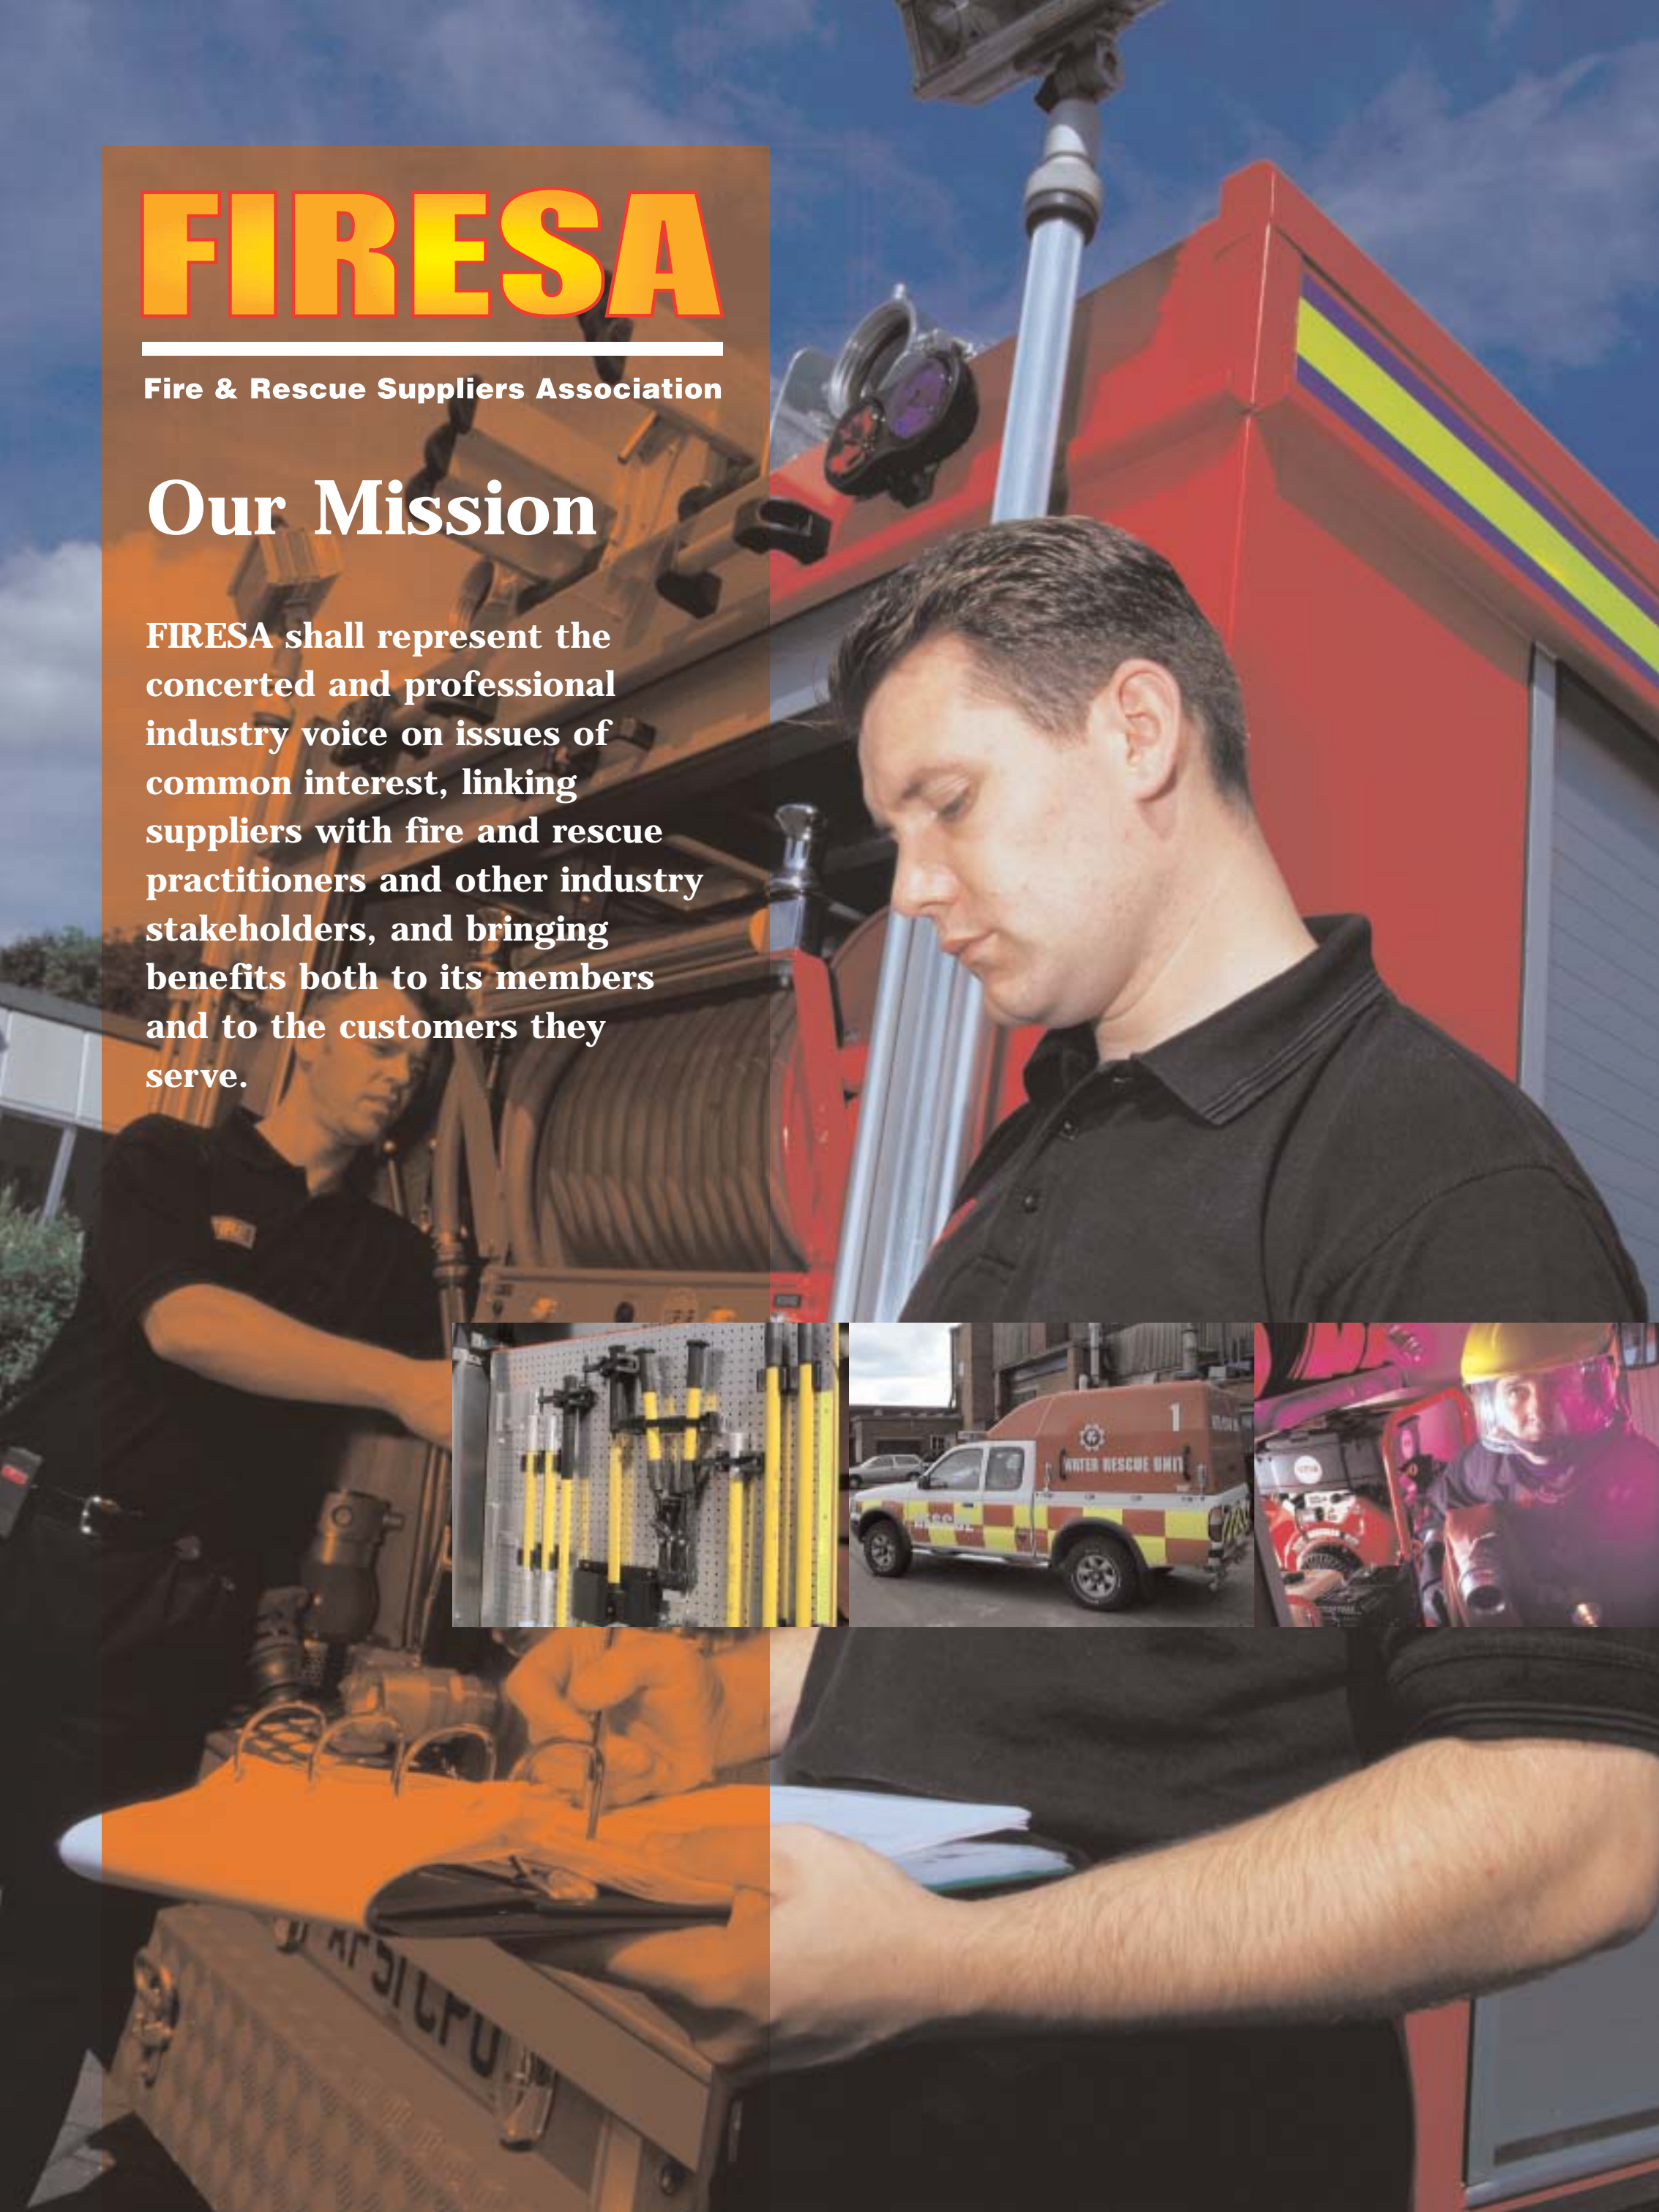

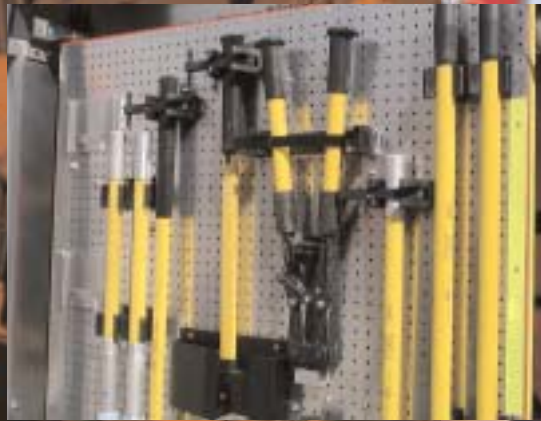

FIRESA

Fire & Rescue Suppliers Association

Our Mission

FIRESA shall represent the concerted and professional industry voice on issues of common interest, linking suppliers with fire and rescue practitioners and other industry stakeholders, and bringing benefits both to its members and to the customers they serve.

FIRESA

Fire & Rescue Suppliers Association

Our Objectives

- **Providing a central national organisation for suppliers to the fire and rescue services**
- **Collective consideration of issues affecting the industry**
- **Promoting the welfare and prosperity of its members**
- **Strategic alliances and partnerships with other bodies having common goals**
- **Representing industry views at government level**

- **Involvement in legislation and standards affecting the industry**
- **Co-ordinating industry presence at seminars and exhibitions**
